Dear Sir/Madam

Re: Operating Engineers' Pension Plan

On May 5, 2000, I sent a registered letter, copy enclosed, to the above referenced pension plan with a follow-up e-mail, on June 8, 2000, enquiring as to when I may expect to receive answers to the inquiries made.

To date I have had no acknowledgement or response to my inquiries.

The purpose of this letter is to request your assistance in obtaining the information I seek pursuant to the Pension Benefits Standards Act.

Yours truly

James T. Malange
