Dear Sir or Madam

Re: Plan Number PO85512

Please find enclosed one copy of each of the following:

1. A registered letter from me to the administrator of the above referenced plan dated May 5, 2000.
2. A letter to your branch dated June 29, 2000
3. A letter to me from your branch, dated July 7, 2000, in response to my June 29th letter.

The purpose of this letter is to inquire of you, as the responsible officer of the PBSA, whether or not you endorse the July 7, 2000 letter to me from your branch signed by Michael J. Peters. It is not the minor error Mr. Peters made when he refers to my dated letter of June 29, 2000 as "your undated letter", but his second last paragraph beginning, "with respect to the fourth item", etc. when I did not enquire about the plan's registration with your branch.

In any case, it appears there is little your branch can, or is prepared to do respecting my concerns expressed in my original registered letter of May 5, 2000 to the administrator of my pension plan.

Yours truly

James T. Malange
