Dear Sir:

**Re: J. T. Malange - SIN 704-349-398 - Pension Enquiry**

We acknowledge receipt of your August 17, 2000 letter requesting information related to certain real estate holdings within the Operating Engineers' Pension Plan portfolio and "the status of our pension plan relating to its compliance with the Pension Benefits and Standards Act of British Columbia".

Our previous correspondence of July 25, 2000 listed the documents a plan participant is entitled to examine, as well as the time and location as required by the British Columbia Pension Standards Act and Regulations.

For purposes of confidentiality and competitive reasons, the specific information requested, as a matter of policy, is not available for public consumption. However, your letter will be placed on the agenda of the next meeting of the Board of Trustees of the Operating Engineers' Pension Plan scheduled for October 26, 2000 for review and direction. You will be notified of the Trustees' decision shortly thereafter.

The Operating Engineers' Pension Plan is in full compliance with the Pension Benefits Standards Act. A fact verifiable with a telephone call to the Pension Standards Branch at (604) 775-1266.

Thank you.

Yours truly,

**OPERATING ENGINEERS' PENSION PLAN**
