Sirs:

Re: J. T. Malange – Sin# 704-349-398—Pension Plan Inquiry.

Further to my letter to you of May 6, 2004 in response to yours of April 20, 2004 and the policy of the Board of Trustees with respect to information distribution referred to in that correspondence, be advised:

I wish to know what procedures, if any, there are in place regarding the implementation of your policy of information distribution in order that members of our pension plan may be informed how access to information they may be interested in can be obtained.

In addition to the above, I wish to know if the policy of information distribution and/or related procedures for accessing information under your policy has been published for the perusal and information of plan members. Also, if the policy and/or related procedures have been published I wish to know where it was published and the date of publication.

Yours truly,

James Malange (pensioner)
