Dear Sir and Brother:

**RE: J.T. Malange – S.I.N. – 704-349-398 – Pension Plan Inquiry**

Please accept this correspondence as confirmation of receipt of your letter of June 25, 2004 (received June 28th, 2004) regarding the Operating Engineers' Pension Plan (the Plan) information distribution policy.

Your observation of the use of the incorrect word (complainant) in the second paragraph of my June 8, 2004 letter was correct; the appropriate word should have been compliance, thank you.

As to the specifics of your letter, you have our response.

Thank you.

Yours truly,

**OPERATING ENGINEERS' PENSION PLAN**
