Dear Sir:

RE: YOUR RESPONSE, BY LETTER DATED DECEMBER 03, 2004, TO ENQUIRES MADE THROUGH MY LETTERS OF NOVEMBER 04, 2004 AND DECEMBER 08, 2004

This acknowledges your referenced letter in response to mine of November 04, 2004 and December 08, 2004 relating to a report, at a union membership meeting, by the Union's President and Real Estate Investment Manager of our pension funds, Mr. Tony Tennessy.

Your response implies that I requested to see documents I am entitled to pursuant to and mandated by The Pension Benefits and Standards Act (PBSA) of British Columbia, which is **not** the case as you well know. Accordingly, I've interpreted your response as continuing the stonewalling, evading and maneuvering of my effort to obtain pertinent and timely information concerning pension plan matters; in this case, information arising out of a report at a constitutionally sanctioned union meeting by a Senior Union Officer and senior employee of my pension plan charged with recommending the investment of millions of dollars of our trust funds.

Your obvious reluctance to disclose the information I requested in the referenced letters again manifests a 'negative inference' as to the financial integrity of our trust funds and the character of those charged with their trusteeship.

I, hereby, again request the information I requested through my letter of November 04, 2004, namely: "whether or not the realty division of the pension plan did, in fact, acquire a property on Bowen Island and, if so, what the status of any development regarding such property may be."

Yours truly,

James Malange (pensioner)
