Dear Sir & Brother:

RE: J.T. MALANGE – SIN#704-349-398 – PENSION INQUIRY

Please accept this correspondence as confirmation of receipt of your letter of January 5, 2005 (received January 7, 2005) requesting information related to certain real estate holdings within the Operating Engineers' Pension Plan.

I cannot provide information regarding a verbal report given by a former Officer of the Local Union and past Manager of the Real Estate Investment Division of the Operating Engineers' Pension Plan at a meeting which I was **not** present **nor** have knowledge of.

I can only, once again, extend an invitation for you to view, during office hours, at our Burnaby offices, those documents mandated by the Pension Benefits Standards Act.

The only response one can give to your "negative inference" opinion, is to quote Georg Christoph Lichtenberg who said: "Don't judge a man by his opinions, but what his opinions have made of him."

Please feel free to contact the writer to establish a mutually agreeable time and date to visit our Burnaby offices.

Thank you.

Yours truly,

OPERATING ENGINEERS' PENSION PLAN
